

Ambassador

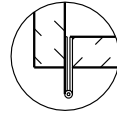

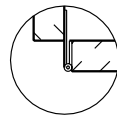

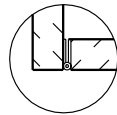

Direct-drive motorized screen with ceiling closure.

The DRAPER AMBASSADOR is a direct-drive, heavy-duty screen designed specifically for recessed installation above any type of ceiling. The AMBASSADOR features a fully automatic ceiling closure, which totally conceals the screen when not in use. The ceiling closure can be finished by the contractor to match the ceiling. Your choice of a conventional viewing surface: fiberglass matt white, glass beaded or HIGH CONTRAST GREY.

System Options

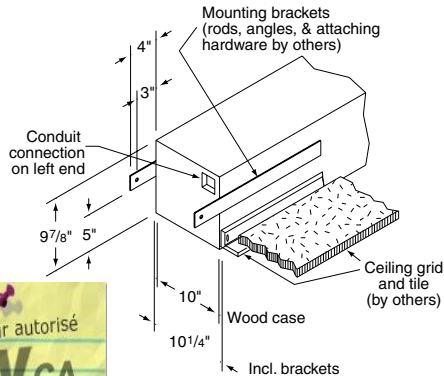

- **Extra Drop**—Up to 12' overall height, either surface color or black. (Surface color is standard).
- **Black Masking Borders**—optional.
- **Control Options**—Refer to page 6.

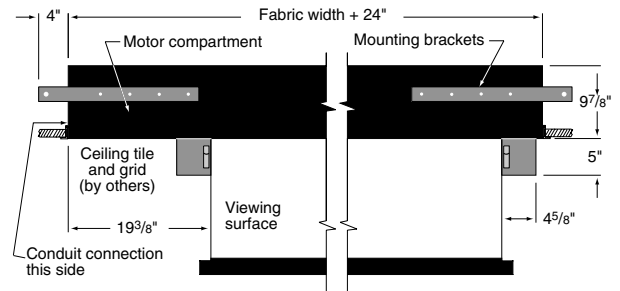

Standard Construction Offset Construction Extended Hinges for Attachment of Ceiling Tile
